## **WE OFFER A WIDE RANGE OF SERVER RACKS**

*We "Vivaan Enterprises" are the leading manufacturer of a wide range of Server Rack, Network Rack, Wall Mounted Rack, Floor Standing Rack, Cold Room SS Racks, Heavy-duty Storage Racks etc. We offer these products at Best Quality, Reasonable Rates and Deliver these within the promised time-frame.*

## About us

Vivaan Enterprises is a certified company. Our corporate vision and belief are based upon the Principles and understanding we have to be customer-driven rather than a business-driven organization, by which we realized that the customer is the only reason we are in business.

We Vivaan Enterprises came into existence in the year 2015. We are a well-known manufacturer and supplier of different sorts of Racks like Server Safety Rack, Network Rack, Switch Safety Rack, DVR Racks, NVR Racks, Server Cabinet, Network Cabinet, Server Enclosure, Network Enclosure, Wall Mount Rack, Floor Standing Rack, Cold Room SS Racks, Heavy-duty Storage Racks, 2 Post Rack, SNS Junction Box, Digital Podium, and sheet metal types.

Vivaan Enterprises is the Manufacturing Unit of Vivaan group. Here we germinate, we cultivate, we produce, we grow, new technology. We are always being the part of current state of technology. We believe in hard work, We believe in customer satisfaction, We believe in doing things differently, We believe in growth, We believe in unlimited sky, We believe in best.

Our responsibility for this starts with the choice of the best Component and materials. This procedure proceeded through the product development stage and afterward continued to the manufacturing process, finally ending with the most stringent and Comprehensive quality tests. We invest regularly in R&D activities for encouraging compelling innovative work. A team of experts led different trials and draw precise solution which is additionally executed in enhancing the quality of the Server Racks.

This facility ensures highly reliable quality levels. It also provides us with the certainty that we can reliably give you world-class items, and a full range of accessories and other optional items designed to meet your requirements. You will find product design companies with in-house manufacturing. You will find manufacturing companies with engineering groups attached. We work cohesively for business development with our customers and partners around the Country, building firm relationships based on tolerance, understanding, and respective cooperation.

## Production Facility

In order to accomplish every production work with perfection, we have installed a series of advanced Machines like a Hydraulic Bending Machine, Spot Welding, Mig Welding, Compressor Machines, Powder Coating facility, etc. Optimum utilization of resources and manpower gives us prompt results as per our planning and set formulas.

Our manufacturing unit is equipped with Fully automatic machines like CNC AMADA Turret punch machine, CNC AMADA Bending machine, CNC AMADA laser cutting machine, Hydraulic Bending Machine, Manual Power Press (20tons , 10tons , 5tons each three nos), Manual cutter machine, Spot Welding Machine, Mig Welding Machine, Grinding Machine, Compressor Machines and testing plant etc. We have added a state-of-the-art Powder Coating Plant in Haryana, which includes a spray pre-treatment process, with 7 tank dipping process and Powder Coating system. This facility ensures highly consistent quality levels. It also provides us with the

confidence that we can consistently provide you world-class best products, as well as full range of accessories.

We are installed with full automatic machinery setup for patch chord and pigtail Manufacturing, full set for every type of joint enclosures too. Optimum utilization of resources and manpower gives us prompt results as per our planning and set formulas as well as matching equipment for surface preparation and decorative finishes. Our Product development unit provides design and engineering facilities & tools for designing its products.

## **Mission & Vision**

Innovation is our mission to meet international standards in the field of racks for servers and networking equipment. Our vision is to attain a leading position in the field of Racks and other types of Metal sheet products with business proliferation all over India and the world.

Vivaan Enterprises mission is to deliver time bound quality products that are superiorly designed and precision engineered to perfection, to help the customers overcome their constraints while enabling scalability and increased performance at reduced cost.

Vivaan Enterprises guarantees to offer its Clients good customer support services for problem solving and better relations.

Vivaan Enterprises, foresees itself as a single window solutions provider for all data, network and server related concern. Improved customer relations, employee welfare and transformation at all levels to achieve more than what we have achieved so far. The company wishes to upgrade itself through research and development of newer technologies for enhanced performance, scalability and cost effective products to cut costs to the customer.

Vivaan Enterprises plans to enhance its infrastructural capabilities to keep in step with the latest advancements and developments in information technology. In continuation of its infrastructural plans the company also wishes to keep its workforce up-to-date and well versed with new and emerging technologies.

Vivaan Enterprises also wishes to do its mite to the environment by adopting environment friendly processes for the manufacture of its products.

## **Our Strength**

Ethical business standards in addition to Total Quality Commitment are our major strengths. We perform every task in the light of total customer satisfaction, and this has enabled us in witnessing a significant rise in the number of our clients every year. Our strength is derived from the following.

## **Our Key Features :**

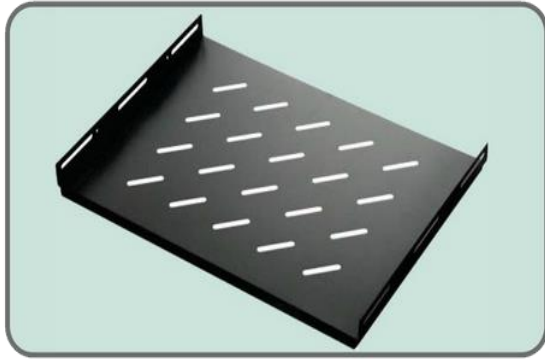

- Vivaan Enterprises AL series server racks are specially designed for Data Centre environment.
- All cabinets of this series consists of 4 vertical pillars of extruded aluminum, Integrated with 4 inch depth members of 1.2mm strong steel.
- The rack top & bottom panels are made of CRCA steel with perforation for air vents and 50mm Hole cut outs for bunch of cable pulling these cable points are also available in special designed removable cable plate.
- The side panels are removable with high quality latches and an option of key Locking provision.
- Front and & Rear doors are CRCA steel hexagonal perforated with 100% Air perforation area to 19" mounting angles.
- All doors are fixed with high quality hinges which provide accuracy for door Closers.
- The styling is based on ASHREA guidelines (American Society for Heating, Refrigerating and Air-Conditioning Engineering) and ideal to get fit into data center assets and stream line the Air flow.

## **Expert Team**

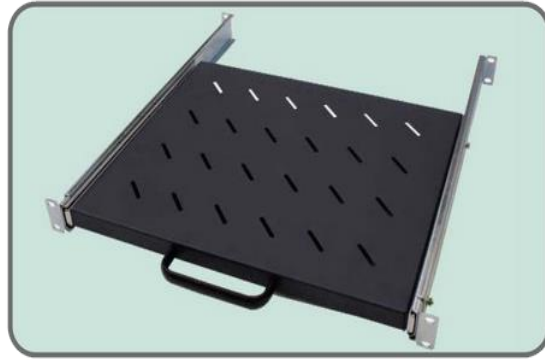

We are well supported by expert professionals who look after their respective segments with sheer dedication and passion. They execute the best methodologies to arrive at suitable solutions in the shortest span of time. Their rich experience and core expertise have helped us develop superlative products and cost-efficient services to the utmost satisfaction of our client.

We are the world class Manufacturer of all type of OFC/RF/Copper cable accessories, Patch Cords, Adaptors, Couplers, Attenuators, Joint Enclosures (All types), Patch Panels, FDMS/FMS, LIUs, Cable Manager, DDF, MDF, FTTH products, Fabrication items (customized too), Server Racks, Networking Racks, Open Racks, Wall Mounted, Floor Mounted, customized Racks etc. We are catering the electronics market by manufacturing electronics panels, different electronic systems etc. We are currently involve at a large scale into the medical instruments, testing machines, different type of "Power Distribution Units", different type of "Frames" as well as usable items, to meet the demand of competitive communication market globally. We ensure the users to get the best quality products bench tested with strict high standard measures.

Brand	VE Tech
Material	Mild Steel
Finishing Type	Powder Coated
Width	550mm
Depth	600mm
Installation Type	Floor Standing

## NETWORK RACK

## 27U NETWORK RACK

### Product Details:

Brand	VE Tech
Material	Mild Steel
Usage/Application	Telecom
Model Name/Number	VE-27RU 27-600-600
Size	27U
Finishing Type	Powder Coated
Width	600mm
Depth	600mm
Installation Type	Floor Standing

- WE ARE OFFERING 27U NETWORK RACK.
- FULLY WELDED AND CKD STRUCTURE
- FRONT GLASS DOOR OR PERFORATED METAL DOOR, REAR VENTILATED METAL DOOR.
- REMOVABLE SIDE PANELS LOCKABLE WITH VENTILATION
- VENTILATED TOP AND BOTTOM.

- RACKS ARE EQUIPPED WITH 2 PAIRS OF ADJUSTABLE 19" MOUNTING RAILS TO MOUNT.
- CABLE ENTRY GLANDS ARE ON TOP AND BOTTOM, EASY TO MANAGE CABLES.
- FAN CUT OUT ON TOP, EASY TO INSTALL FAN.
- FULL POWDER COATED RIGID STEEL CONSTRUCTION.
- AVAILABLE ACCESSORIES OPTIONAL ARE VARIOUS

## 24U FLOOR STANDING NETWORK RACK

### Product Details:

Brand	VE Tech
Material	Mild Steel
Finishing Type	Powder Coated
Width	600mm
Depth	600mm
Installation Type	Floor Standing

- WE ARE OFFERING 24U FLOOR STANDING NETWORK RACK TO OUR CLIENTS.
- RACK DEPTH - 600/800/1000/1200MM.
- RACK WIDTH - 600/800MM,

## 27U FLOOR STANDING NETWORK RACK

### Product Details:

Brand	VE Tech
Material	Mild Steel
Finishing Type	Powder Coated
Width	550mm
Depth	1000mm
Installation Type	Floor Standing

- WE ARE OFFERING 27U FLOOR STANDING NETWORK RACK TO OUR CLIENTS.

- RACK DEPTH - 600/800/1000/12000MM
- RACK WIDTH - 600/800MM

## OUTDOOR RACKS

### 32U OUTDOOR RACK

#### Product Details:

Brand	VE Tech
Material	Mild Steel
Finishing Type	Powder Coated
Width	600mm
Depth	600mm
Installation Type	Floor Standing

- WE ARE OFFERING 32U OUTDOOR RACK TO OUR CLIENTS.
- OUTDOOR RACK DEPTH - 500/600/800MM,
- RACK OUTDOOR APPLICATION AND DESIGNED TO MEET IP56 WITH FAN & IP66 WITHOUT FAN (INGRESS PROTECTION) REQUIREMENT.
- RACKS MANUFACTURED OUT OF GALVANIZED STEEL SHEET PUNCHED, FORMED, WELDED AND TO WITHSTAND THE HARSH OUTDOOR CONDITION
- THE RACKS ARE SPECIALLY POWDER COATED DUAL COAT WITH PRIMER & PURE POLYESTER POWDER

### 6U OUTDOOR RACK

#### Product Details:

Brand	VE Tech
Material	Mild Steel
Finishing Type	Powder Coated
Width	550mm
Depth	400mm

Installation Type	Wall Mounted
Protection Rating	IP 65

- WE ARE INVOLVED IN OFFERING A WIDE GAMUT OF IP RACKS THAT IS MANUFACTURED BY US USING HIGH-GRADE RAW MATERIAL AND THE LATEST TECHNOLOGY WITH THE SET UNIVERSAL STANDARDS.
- THESE RACKS ARE CHECKED AGAINST VARIOUS PARAMETERS UNDER THE STRICT SUPERVISION OF QUALITY CONTROLLERS TO ENSURE FLAWLESS DELIVERIES.
- IN ADDITION TO THIS, THESE RACKS ARE AVAILABLE IN VARIOUS SIZES & DIMENSIONS AND CAN ALSO BE CUSTOMIZED AS PER VARIOUS SPECIFICATIONS FROM OUR PRESTIGIOUS CLIENTS.

## 32U MS OUTDOOR RACK

### Product Details:

Material	Mild Steel
Usage/Application	Telecom

## **Cold Room SS Racks**

We are the ideal solution for anyone who needs to organize, handle, display and make the most of available storage space in compliance with hygiene standards. Made entirely from anodized aluminum alloy or stainless steel, they are guaranteed to offer lasting stability against corrosion by water and moisture and provide a high standard of hygiene. Both stable and sturdy, they do not need any special fastening or anchoring, while they are built to take heavy loads with minimal bending in varied temperatures of cold rooms and cold warehousing storage. The extreme simplicity and speed of assembly achieved by slot fitting system mean assembly is quick and easy and can be performed without using any special tools.

**Product Details:**

Material	Stainless Steel
Storage Capacity	As Per Size
Minimum Order Quantity	10 Unit
Color	Steel
Height	Customized
Brand	VE Tech - SS Racks
Size	Customized
Product Type	Free Standing Unit
Surface Finish	Silver Matte Or Silver Glossy

Rust Proof	Yes
Usage/Application	Restaurant
Country of Origin	Made in India

### Features:

- Perforated Shelves for Ventilation of Cooling.
- 16 SWG Or 18 SWG Shelves for Higher Strength.
- AISI SS 304 Material for Durability and Long Life
- Also Available in Adjustable Shelves Mode.

## Heavy Duty Storage Racks

Looking for high-quality, durable, and efficient Racks in Delhi? **Vivaan Enterprises** is your one-stop shop for all your racking needs. We, one of the well-known Storage Racks Manufacturers in Delhi, offer a wide range of racking systems and accessories to meet the specific requirements of any business or industry.
